OD AUTOREK

Hi there!

Tu **Magda**, **Kasia** i **Patrycja** - trzy nauczycielki angielskiego, które połączyła wspólna pasja, i jest nią oczywiście język angielski! Tworzymy razem miejsce w sieci pod nazwą **@angielski.napoziomie**.

Z naszą pomocą zdasz egzamin certyfikacyjny, przełamiesz się i zaczniesz gadać oraz wskoczysz na wyższy poziom w angielskim!

SKĄD POMYSŁ NA '333 TRIOSY'?

Uczymy angielskiego od lat i wiemy, jakie błędy podczas nauki nowych słówek popełniają uczniowie. Możemy założyć się w ciemno, że i Tobie nie raz zdarzyło się spisywać długie listy słów, czy uczyć się pojedynczych słówek bez kontekstu z nadzieją, że 'same wejdą do głowy'. Na pewno wtedy poczułś na własnej skórze, że te jakże popularne metody jednak nie działają (pssst! nigdy nie działały!). Dlaczego są nieefektywne? Powód jest bardzo prosty - są nudne, odtwórcze i monotonne.

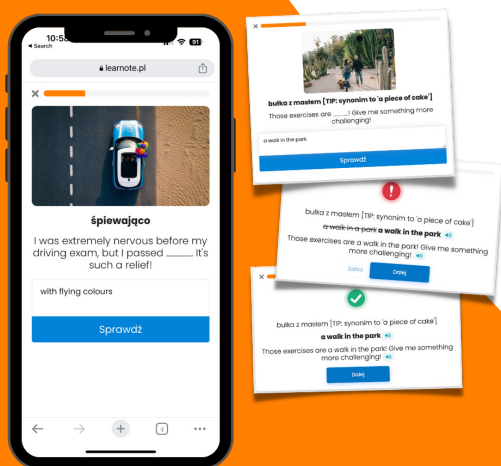

I tutaj wkraczamy my - *to the rescue!* - z naszym kursem '333 TRIOSY'! W tym workbooku znajdziesz aż **333 zagadki językowe** w formie zadania znanego pod nazwą trios. I Twój mózg przy każdym takim ćwiczeniu od razu wskakuje na wysokie obroty, szukając wspólnego mianownika pomiędzy zdaniem, tworząc skojarzenia, analizując kontekst - **w ten sposób szybciej i na dłużej zapamiętasz nowe słówka i wyrażenia, świetnie się przy tym bawiąc!**

Stworzyłyśmy ten kurs, by pomóc Ci uczyć się angielskich słówek skutecznie, ale też i... sprytnie. Tak, słówek można uczyć się również sprytnie (a nawet powinno!). Jak? Wytłumaczmy Ci to na przykładzie. Znasz słowo 'long' (długi), prawda? Wyobraź sobie, że dodajesz do niego kilka angielskich słów (które również znasz), i w taki oto sposób tworzysz zaawansowane wyrażenia na poziomie B2 o różnych znaczeniach, np. *in the long run* - na dłuższą metę, w długiej perspektywie albo *not by a long shot* - wcale nie, w żadnym razie, bynajmniej.

A Twój zasób słownictwa poszerza się z każdą stroną workbooka. Ba! Czasem nawet nie musisz dodawać słów, wystarczy, że użyjesz danego słowa w innych kontekstach, by nabrało różnych znaczeń: *to long* - pragnąć, chcieć, tęsknić **i to jest właśnie nauka smart!** Nasz workbook pęka w szwach od takich zadań i przykładów, zresztą sam/a się przekonasz, jak tylko zaczniesz z nim naukę.

BONUS#1: 999 FISZEK ONLINE

Przygotowałyśmy dla Ciebie również **BONUS#1: 999 fiszek online** z angielskimi wyrażeniami, które napotkasz w workbooku. By słówka mogły trafić do pamięci długotrwałej (a to nasz cel), potrzebują regularnych powtórek, o których wiele osób zwyczajnie zapomina. Dobrze, że są już tak mądre technologie, które zaplanują sprytne powtórki za nas - i to biorąc pod uwagę nasze tempo nauki. Nie musisz się o nic martwić i o niczym pamiętać, platforma, na której mieści się nasz kurs fiszkowy zrobi wszystko za Ciebie - wystarczy, że codziennie będziesz zaglądać tam na 10-15 minut.

BONUS#2: LEKCJA AUDIO

To nie koniec prezentów! W kursie czeka na Ciebie również **BONUS#2: lekcja audio**, w której opowiemy Ci o naszych sprawdzonych sposobach na naukę słownictwa. To chyba pozostaje powiedzieć nam... do usłyszenia?!

Ogromnie cieszymy się, że zaczynasz naukę z naszym kursem!
Życzymy Ci skutecznej i sprytnej nauki - *you've got this!*

GDZIE ZNAJDĘ POZOSTAŁE ELEMENTY KURSU '333 TRIOSY'?

Dokładną instrukcję (z bonusami do odebrania) w formie checklisty załączyliśmy w Twoim Panelu Kursanta. Jeśli czegoś nie możesz namierzyć bądź masz jakiegokolwiek pytania, *drop us a message at: hello@angielskinapoziomie.pl*

CZYM SĄ TRIOSY?

Pod tajemniczą nazwą *trios* kryje się zadanie, które znajdziesz w arkuszach niektórych egzaminów językowych (np. na maturze rozszerzonej). Składa się ono z trzech zdań po angielsku, w każdym jest luka, a Twoim zadaniem jest odgadnąć jedno i to samo angielskie słówko, które idealnie pasuje do wszystkich trzech zdań (w tej samej, niezminionej formie). Możliwe, że czasem będziesz musiał/a się nagłowić, by odgadnąć odpowiedź, ale tak jak pisałyśmy powyżej - o to przecież właśnie nam chodzi!

Jeśli uznasz, że jednak nie masz żadnych szans na odgadnięcie, jakie słówko ukryło się w danym przykładzie, to spróbuj najpierw poszukać podpowiedzi w ulubionym słowniku online. Podejdź do rozwiązywania triosów jak detektyw, przeanalizuj wskazówki w zdaniach, które naprowadzą Cię na prawidłową odpowiedź. W trakcie poszukiwań natrafił_ś na ciekawe wyrażenie, które chcesz zapamiętać? Wykorzystaj w tym celu pole *my notes*, gdzie śmiało możesz je zanotować lub też nawet całe zdania (własne bądź te wypisane ze słownika) z jego użyciem. Pamiętaj, że każda dodatkowa czynność, którą wykonujesz podczas nauki, a którą rozbudzasz w sobie ciekawość języka, jest bardzo ważna. Dlatego zachęcamy Cię gorąco do podjęcia dodatkowych poszukiwań! Do workbooka dołączamy oczywiście też inteligentny i wygodny klucz rozwiązań, w którym znajdziesz nie tylko poprawną odpowiedź, ale też całe wyrażenia i ich tłumaczenia. I znowu pole *my notes*, które tym razem możesz wykorzystać do sprawdzenia, czy już pamiętasz te wyrażenia wyżej - zasłoń ręką odpowiedzi i spróbuj napisać całe te wyrażenia po angielsku z pamięci!

Triosy to z pewnością zadanie, które pobudza kreatywność i weryfikuje w praktyce Twój zasób słownictwa. Poznasz nowe, zaawansowane znaczenia angielskich słówek, poszerzysz zasób słownictwa, wskoczysz na wyższy poziom w angielskim i będziesz się przy tym dobrze bawić - *let's get started!*
