If we are talking about future events in time clauses using "when," we still use the present simple tense, not the future simple tense. This is a common grammatical rule in English.

For example: **"When he arrives, we will start the meeting."** In this sentence, "arrives" is in the present simple tense, indicating the future event when he comes, and "will start" is in the future simple tense, showing the action that will happen after he arrives.

when I Grow Up,
I want to Be a
DOCTOR!

Let's look closer!

THE BRIEF HEALTH

4 ways to get that vacation feeling in 2 days

BY ANGELA HAUPT

GOING ON VACATION EVERY week might sound like the (very unattainable) dream. But a simple mindset shift can make it happen—no travel involved.

All you need to do is get in the habit of treating your weekend like a vacation, suggests Cassie Mogilner Holmes, a professor at UCLA's Anderson School of Management.

A few years ago, Holmes and her colleagues began exploring the importance of taking vacations, which are correlated with improved health, creativity, job performance, and life satisfaction. Yet only 48% of U.S. workers use all their vacation days, according to a recent survey by the Pew Research Center. "Initially we were like, 'How do we get more people to take their vacations?'" Holmes says. "But then we realized, we actually have breaks in our lives already." Presenting: the weekend.

In a series of experiments, Holmes' team instructed 441 U.S. workers to either spend the weekend like they would any other, or treat it like a vacation. When they were back at work on Monday, people who had adopted a vacation mindset reported being happier, less stressed and worried, and more satisfied than those who had had a regular weekend.

"What was somewhat surprising is that the effect wasn't driven by people spending their time all that differently," Holmes says. "It was this mindset that allowed them to be more present—instead of being in 'doing' mode, it allowed people to settle in and be in the moment."

We asked experts to share their favorite tips for adopting a vacation mindset at home.

1. Get creative about making time

Not everyone has Saturday and Sunday (or any two consecutive days) off work—and some people are beholden to weekend schedules packed with obligations. You could still apply the philosophy to, say, a Thursday evening, Holmes suggests. Or, designate an hour on Sunday morning for chores—but protect the rest of the weekend as your vacation time.

2. Reflect on priorities

Home in on what makes a vacation different from a regular weekend, suggests Andrea Bonior, an adjunct psychology professor at Georgetown University. Does it mean turning off your email notifications? Splurging a little? "Maybe it means being able to spend time with people you don't normally get to see, or giving yourself a break on a workout," she says. "It's helpful to make a list of those things and be able to follow through."

3. Act like a tourist

Decision scientist Nika Kabiri recommends doing something totally new so you can disconnect from the same old routines governing your life. Among her favorite ideas: Drive to a part of town you've never been to before, go for a stroll, and grab lunch at the first cute café you see. Or take a bike or boat tour of your city. "The spontaneity is what makes experiences like this feel vacation-like," Kabiri says.

4. Don't put extra pressure on yourself

Treating your weekend like a vacation doesn't mean it needs to be an elaborate affair. If your "vacation" encounters a few hitches—or lasts for only a few hours—don't fret. "It doesn't have to be all or nothing," Bonior says. "Don't put pressure on yourself to have this 'perfect vacation.'" It's meant to be fun. Plus, there's always another one just a few days away.

1. Get creative about making time

Not everyone has Saturday and Sunday (or any two consecutive days) off work—and some people are beholden to weekend schedules packed with obligations. You could still apply the philosophy to, say, a Thursday evening, Holmes suggests. Or, designate an hour on Sunday morning for chores—but protect the rest of the weekend as your vacation time.

TO HAVE DAYS OFF
mieć urlop/wolne dni

CONSECUTIVE

jest angielskim słowem, które oznacza "następujący po sobie", "kolejny" lub "bez przerwy". Na przykład, "He worked for five consecutive days" oznacza, że pracował pięć dni pod rząd, bez przerwy.

CHORES
obowiązki domowe

2. Reflect on priorities

Home in on what makes a vacation different from a regular weekend, suggests Andrea Bonior, an adjunct psychology professor at Georgetown University. Does it mean turning off your email notifications? Splurging a little? "Maybe it means being able to spend time with people you don't normally get to see, or giving yourself a break on a workout," she says. "It's helpful to make a list of those things and be able to follow through."

HOME IN ON

to idiom angielski, który oznacza skupienie się na czymś lub kierowanie się w stronę określonego celu. Jest używany, gdy chcemy wskazać, że ktoś lub coś jest skoncentrowane na konkretnym celu lub temacie. Na przykład: "The detective homed in on the suspect" oznacza, że detektyw skupił swoją uwagę na podejrzanym

SPLURGING

to termin oznaczający wydawanie dużej ilości pieniędzy na coś, co jest traktowane jako luksus, traktowanie siebie lub robienie czegoś specjalnego. Jest to trochę jak mówienie: "Zdecydowałam się na małe szaleństwo" lub "Postanowiłam zaszaleć". Na przykład, "I was splurging on a new designer bag"

3. Act like a tourist

Decision scientist Nika Kabiri recommends doing something totally new so you can disconnect from the same old routines governing your life. Among her favorite ideas: Drive to a part of town you've never been to before, go for a stroll, and grab lunch at the first cute café you see. Or take a bike or boat tour of your city. "The spontaneity is what makes experiences like this feel vacation-like," Kabiri says.

RECOMMEND DOING STH

zapamiętaj konstrukcję

Uwaga na 

**akcent jest tu na ostatniej sylabie
"-mend". Czyli wymawiamy to
słowo tak: /,rek-ə-'mend/**

GO FOR A STROLL

iść na spokojny spacer

GRAB LUNCH

**to potoczne wyrażenie, które oznacza szybko coś
zjeść na lunch, często w kontekście nieformalnym.
Może to również oznaczać spotkanie się z kimś na
lunch. Na przykład, "Do you want to grab lunch
together tomorrow?" oznacza "Chcesz jutro
wspólnie zjeść lunch?"**

4. Don't put extra pressure on yourself

Treating your weekend like a vacation doesn't mean it needs to be an elaborate affair. If your "vacation" encounters a few hitches—or lasts for only a few hours—don't fret. "It doesn't have to be all or nothing," Bonior says. "Don't put pressure on yourself to have this 'perfect vacation.'" It's meant to be fun. Plus, there's always another one just a few days away.

PUT EXTRA PRESSURE ON

to wyrażenie, które oznacza wywieranie dodatkowej presji na kogoś lub coś, zazwyczaj w sytuacji, która już jest trudna. Na przykład, "The new deadlines put an extra pressure on the team" oznacza, że "nowe terminy wywarły dodatkową presję na zespół"

ELABORATE AFFAIR

oznacza skomplikowane, szczegółowo zaplanowane wydarzenie lub sytuację. Jest to często używane do opisanie uroczystości, które wymagają dużo planowania i przygotowań, takich jak duże wesela, bankiety lub ceremonie

ENCOUNTER A FEW HITCHES

**DOUBLE
DIGITS!**

July 21

To celebrate **PRINCE GEORGE**'s 10th birthday the following day, Kensington Palace released a brand-new portrait of the future King of England looking all grown up in Windsor. "He keeps me on my toes," **PRINCE WILLIAM** once said of his "rascal" son. "But he's a sweet boy."

DOUBLE DIGITS

w kontekście 10 urodzin odnosi się do osiągnięcia wieku, który jest wyrażony dwiema cyframi.

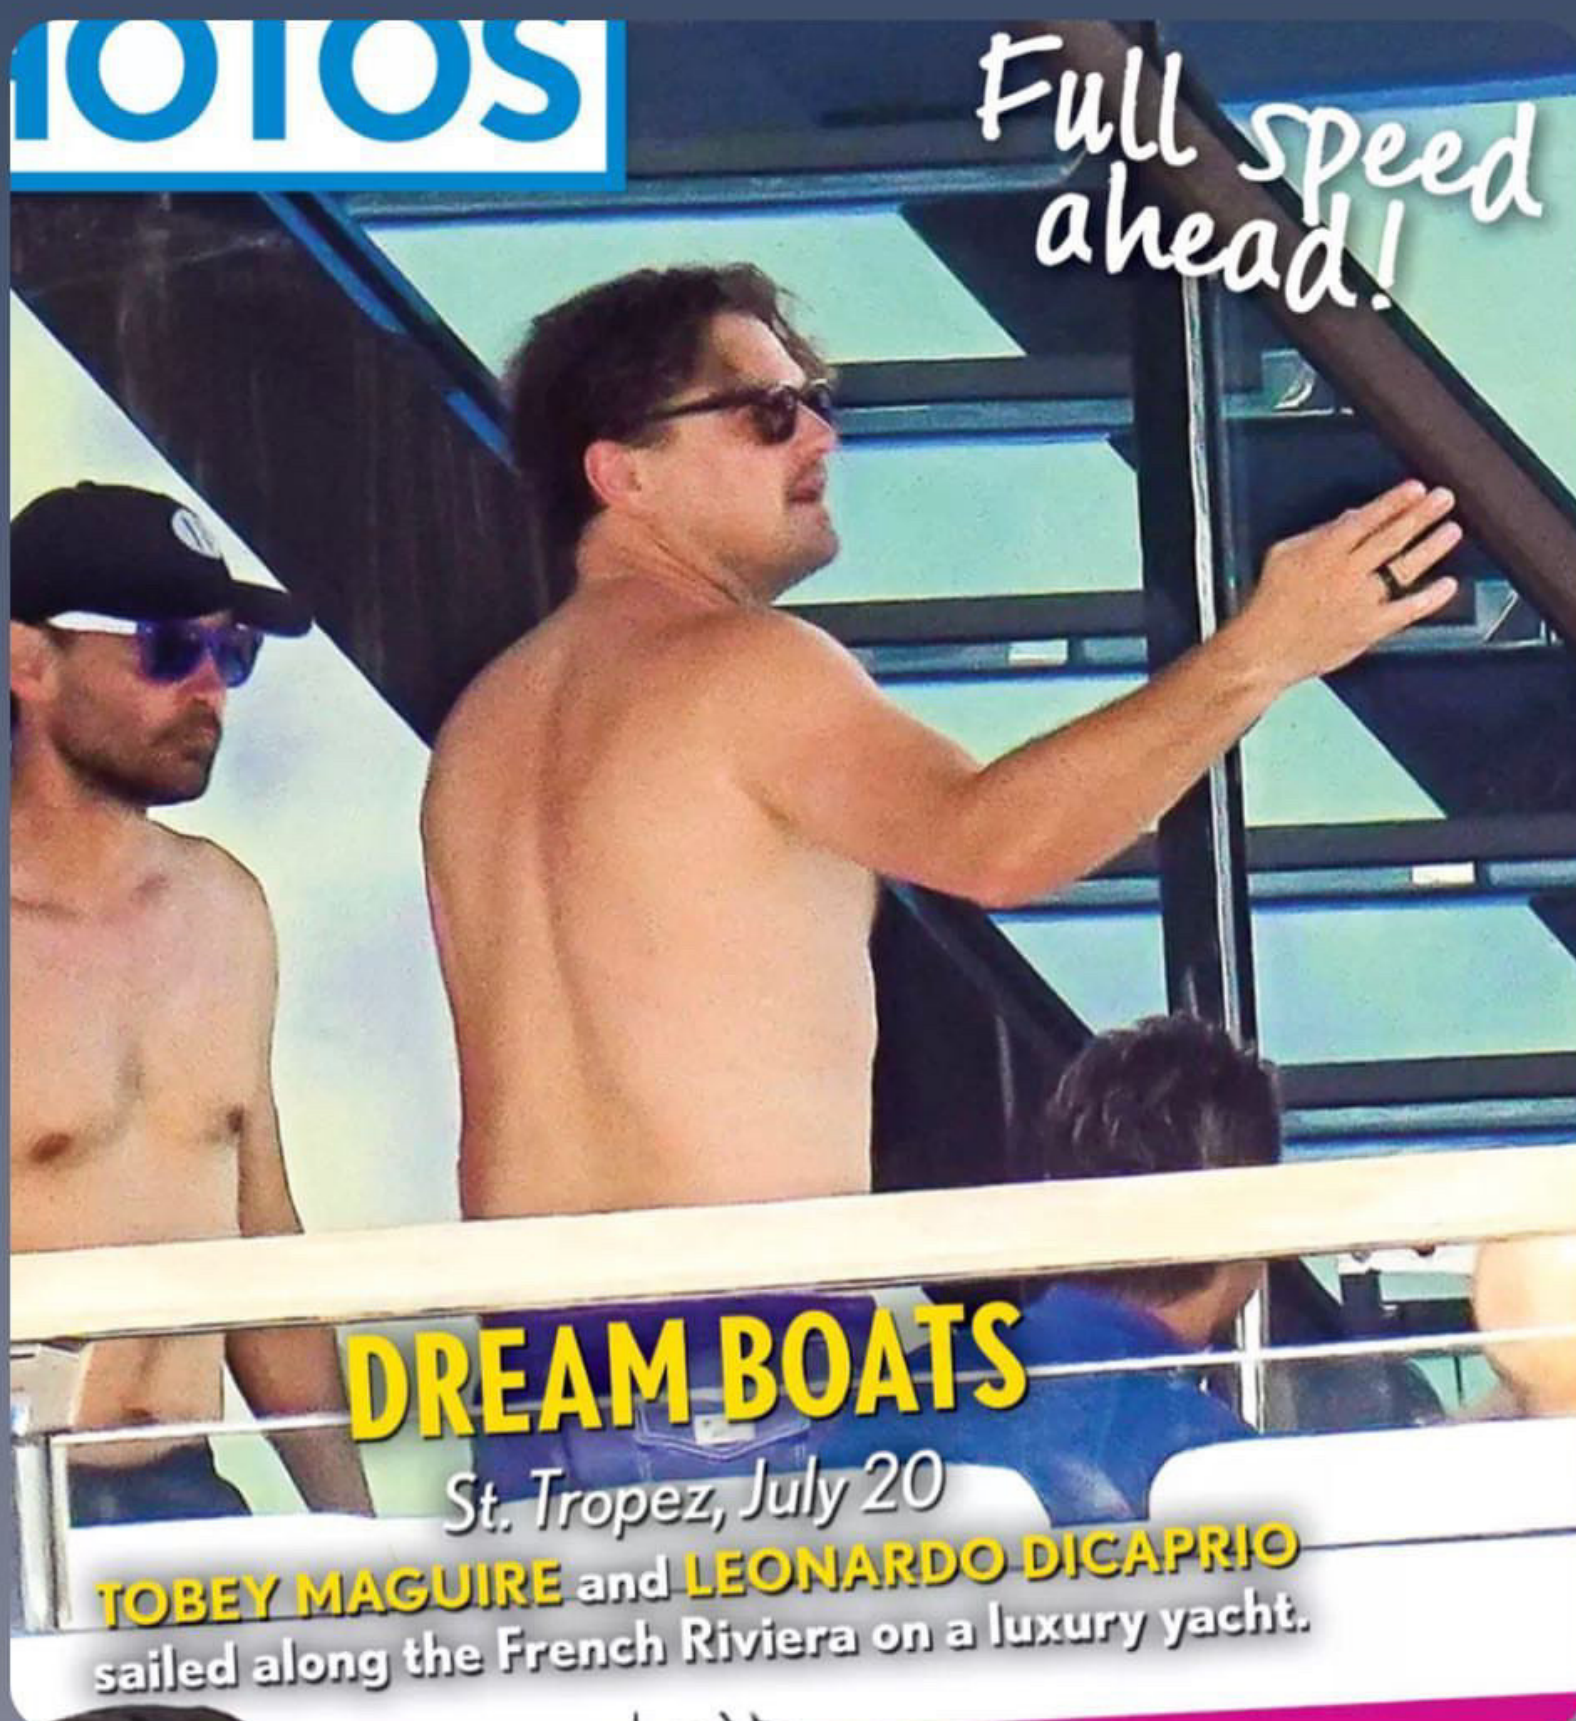

Kiedy dziecko kończy 10 lat, mówi się, że osiągnęło wiek "double digits", co w dosłownym tłumaczeniu oznacza "podwójne cyfry"

HE KEEPS ME ON MY TOES

W kontekście dzieci, ta fraza często odnosi się do aktywności, energii i nieprzewidywalności dziecka. Oznacza to, że dziecko jest tak żywiołowe lub wymagające uwagi, że rodzic (lub opiekun) musi być ciągle czujny i gotowy do reagowania. W Polsce można by powiedzieć: "Nie daje mi chwili wytchnienia" lub "z nim się nie nudzę"

RASCAL - rozrabiaka

Cambridge Dictionary

luxury

noun

UK  /'lʌk.jʊr.i/ US  /'lʌk.jə.i/

Add to word list 

B1 [U]

great comfort, especially as provided by expensive and beautiful things:

- *to live in luxury*
- *a luxury cruise*
- *a luxury hotel*

luxury

1. great comfort, especially as provided by expensive and beautiful things: 2...

 CambridgeWords

noun [C]

UK /jɒt/ US /jɑ:t/

Add to word list

B2

a boat with sails and sometimes an engine,
used for either racing or travelling on for
pleasure:

- a *luxury yacht*
- a *yacht club*

Bettmann/GettyImages

ZASKOCZENI? 😎

No rejczel 😬 37%

Nope - znam to 🦄 42%

Tylko podglądam 😂 21%

yacht

1. a boat with sails and sometimes an engine, used for
either racing or...

Osoba "high-strung" to ktoś bardzo nerwowy, łatwo się denerwujący lub napięty. Może silnie reagować na różne sytuacje lub łatwo się denerwować. W języku polskim można by to opisać jako osoba "nadpobudliwa" lub "nerwowa"

PET CUSTODY

odnosi się do decyzji o tym, kto ma prawo do opieki nad zwierzęciem domowym po rozstaniu lub rozwodzie pary. W wielu jurysdykcjach zwierzęta są traktowane jako mienie, więc kwestie dotyczące opieki nad nimi są rozpatrywane w kontekście podziału majątku. Jednak coraz częściej sądy zaczynają rozważać dobrostan zwierzęcia podczas podejmowania decyzji o opiece. W Polsce temat ten nie jest jeszcze tak szeroko omawiany w kontekście prawnym jak w niektórych krajach zachodnich, ale z czasem na pewno to się zmieni

DUMPED

jest potocznym słowem, które często używane jest w kontekście zakończenia związku. Gdy ktoś mówi "I got dumped", oznacza to, że został porzucony przez swojego partnera. W języku polskim odpowiednikiem tego wyrażenia może być "zostałem rzucony" lub "zostałam rzucona"

ever story!

RYAN'S *Untold* Story

Starting a family with Eva Mendes changed everything for Barbie star Ryan Gosling

When Ryan Gosling auditioned to play Noah in *The Notebook* more than 20 years ago, he got some humbling feedback. Director Nick Cassavetes "straight up told me," Ryan later admitted, that "[I had] no natural leading man qualities." But that, the filmmaker explained, "is why I want you to be my leading man," a surprised Ryan recalled. The gamble paid off: The former *Mickey Mouse Club* child actor's performance in the 2004 romance turned him into a mainstream movie star and his fame exploded. Roles in lauded movies like *Half Nelson* — which earned Ryan his first Oscar nom — *Lars and the Real Girl*, *Drive* and *Crazy, Stupid, Love* followed, stepping away from Hollywood to regroup. "I've lost perspective on what I'm doing," he said at the time. "I think it's good for me to take a break." After working non-stop for years, "Ryan realized he hadn't taken time to focus on his own life," reveals a source, "and admitted to his family that he'd been feeling lost for a long time."

Today, the *Barbie* and *La La Land* star is flourishing — which the source says Ryan credits to that much-needed break, therapy, and the family that he and former *The Place Beyond the Pines* co-star Eva Mendes have created. "I never knew that life could be this fun," he's raved of welcoming their daughters, Esmeralda, 8, and Amada, 7, "and this great."

Still, it hasn't always been

ing point in his life. "I wasn't thinking about kids before I met her, but after I met Eva, I realized that I just didn't want to have kids without her," Ryan — who had a troubled, lonely childhood in Canada marked by his Mormon parents' divorce, rebellious behavior, school suspensions and a restlessness to grow up and move out — confessed in May. There were moments when they were playing a couple with a baby in *The Place Beyond the Pines* "where we were pretending to be a family, and I didn't really want it to be pretend anymore," Ryan said. "I realized that this would be a life I would be really lucky to have."

Letting Go
"A long time ago, I went to see a shrink. He wrote me a prescription that said: 'Do comedy,'" the *Barbie* star told EW in 2016.

Undeniable Chemistry

Ryan first clicked with Eva on the set of *The Place Beyond the Pines*. Ten years later, "I just blast on Eva," he's said of her support. "She knows what's important, always. She just somehow knows."

Equal Footing

"We are partners in this," Eva's said of raising Esmeralda and Amada with Ryan, who often takes on dinner duty since she's "not an amazing cook." "There are no gender-specific roles."

Letting Go

"A long time ago, I went to see a shrink. He wrote me a prescription that said: 'Do comedy,'" the *Barbie* star revealed in 2016 of how he learned to not take things so seriously.

A SHRINK

to potoczne określenie psychologa lub psychiatry. Wyraz "shrink" pochodzi od słowa "headshrinker" (dosłownie "kurczyciel głowy"), które pierwotnie odnosiło się do szamańskich praktyk niektórych plemion. Uwaga! Może być postrzegane jako lekceważące

A PRESCRIPTION recepta

No Bad Blood!

"Beyoncé sent a gorgeous flower arrangement to Taylor when her tour started," reveals an insider, "and Taylor reciprocated with a good luck gift basket once Beyoncé's tour kicked off two months later."

NEXT

NO BAD BLOOD

oznacza, że nie ma między dwiema osobami żadnej niechęci, złości czy urazy. Jeśli ktoś mówi "There's no bad blood between us", oznacza to, że między tymi osobami nie ma żadnych nieporozumień. W języku polskim możemy to wyrazić jako "nie ma między nami żadnej urazy" lub "wszystko jest w porządku między nami"

No Bad Blood!

"Beyoncé sent a gorgeous flower arrangement to Taylor when her tour started," reveals an insider, "and Taylor reciprocated with a good luck gift basket once Beyoncé's tour kicked off two months later."

KICK OFF

tu będzie w znaczeniu „trasa zaczęła się”, ale ten zwrot ma wiele bardzo przydatnych użyć. Naprawdę go lubię, więc jak jesteście tu z nami dłużej, to już je dobrze znacie

KICK OFF

1. **Rozpoczęcie czegoś:** Tak jak w przypadku trasy koncertowej, można mówić o rozpoczęciu jakiegokolwiek wydarzenia. Przykład: "The party will kick off at 8 pm." (Impreza rozpocznie się o 20:00).
2. **Zaczęcie się meczu (sportowego):** W sporcie, zwłaszcza w piłce nożnej, "kick off" oznacza rozpoczęcie meczu. Przykład: "What time does the match kick off?" (O której zaczyna się mecz?).
3. **Rozpoczęcie dyskusji lub spotkania:** W kontekście biznesowym "kick off meeting" to spotkanie inaugurujące jakiś projekt lub inicjatywę. Przykład: "We'll have a kick off meeting to discuss the new project." (Mamy spotkanie inaugurujące, aby omówić nowy projekt).

DORM

to skrót od "dormitory", który
oznacza akademik lub budynek
mieszkalny dla studentów na
terenie kampusu uniwersyteckiego
