

Langua Speaking Practice

Use these prompts with a conversation partner or my clone on Langua!

Congratulations on taking action to improve your **B2-level** English speaking skills!

If you don't have easy access to a conversation partner, Langua is your ideal solution. It's your safe space to chat with my AI clone (yes – she sounds just like me). These casual conversations will build your speaking fluency and help you sound more natural.

If you haven't **signed up for** Langua yet, click [here](#) to register. You'll need to complete the registration online before you can access the app.

For a limited time, you can save 30% on any Pro Plan using the code **LUCY30**. Try Langua on the Free Plan, then use your code if you'd like unlimited practice - just make sure you enrol on the website first!

If you're already enrolled on Langua, just follow the instructions below to log in and get started.

1. Open Langua and tap "Design My Own"
2. Copy and paste the Master Prompt below into the text box
3. Name it something like: "30-Day Speaking Challenge"
4. Save this custom prompt
5. Now whenever you want to practise, select this saved prompt
6. When the AI asks "What question would you like me to ask you today?", copy and paste one of prompts on the following pages
7. Have your conversation!

30-Day Challenge Practice: Master Prompt

I have conversation questions I'd like to practise answering. Please start by asking me: "What question would you like me to ask you today?" I'll paste a question for you to ask me. Ask me that question naturally, then have a conversation based on my answer. Gently correct my grammar, vocabulary or pronunciation mistakes, and ask follow-up questions to keep our conversation flowing.

General Speaking Prompts

What kinds of traditions do people follow before getting married in your country? Have any of them changed recently?

Do you think it's becoming more common for men and women to celebrate together before a wedding? Why might that be?
