

Langua Speaking Practice

Use these prompts with a conversation partner or my clone on Langua!

Congratulations on taking action to improve your **C1-level** English speaking skills!

If you don't have easy access to a conversation partner, Langua is your ideal solution. It's your safe space to chat with my AI clone (yes – she sounds just like me). These casual conversations will build your speaking fluency and help you sound more natural.

If you haven't **signed up for** Langua yet, click [here](#) to register. You'll need to complete the registration online before you can access the app.

For a limited time, you can save 30% on any Pro Plan using the code **LUCY30**. Try Langua on the Free Plan, then use your code if you'd like unlimited practice - just make sure you enrol on the website first!

If you're already enrolled on Langua, just follow the instructions below to log in and get started.

1. Open Langua and tap "Design My Own"
2. Copy and paste the Master Prompt below into the text box
3. Name it something like: "30-Day Speaking Challenge"
4. Save this custom prompt
5. Now whenever you want to practise, select this saved prompt
6. When the AI asks "What question would you like me to ask you today?", copy and paste one of prompts on the following pages
7. Have your conversation!

30-Day Challenge Practice: Master Prompt

I have conversation questions I'd like to practise answering. Please start by asking me: "What question would you like me to ask you today?" I'll paste a question for you to ask me. Ask me that question naturally, then have a conversation based on my answer. Gently correct my grammar, vocabulary or pronunciation mistakes, and ask follow-up questions to keep our conversation flowing.

General Speaking Prompts

What kinds of things carry you through tough times, and how have those things changed over the years?

It's no secret that technology has changed our lives. How has it changed yours?

Have you ever decided to bid farewell to something in your life to pursue a new path? What happened?

Tell me about a time you decided to embrace the unknown and it turned out well.

On completing a big project, how do you like to celebrate?

Immediately upon waking up, what's the first thing that comes to your mind?

What decisions have you made that proved to be pivotal in your life?

Who is a 'protagonist' in your life story? Tell me about them.

Let's discuss something we're passionate about.

Think of a place you find 'cosy'. What makes it feel that way?

Langua Speaking Practice

What's a time you felt under a lot of scrutiny, and how did you handle it?

'Under no circumstances should' someone do what, in your opinion?

What recent events have sparked concerns in your community?

What are the challenges of seasonal work in rural areas, and how might they be addressed?

What do you need to get done before the weekend?

If given the opportunity, what would you change about your life?

Have you ever felt like 'a fish out of water' in a new environment? What made you feel that way?

If you were to 'put down roots' somewhere new, what kind of community would you look for?

In what ways do you feel the world is becoming a 'global village'?

What's something you've sneered at in the past but now appreciate?

Langua Speaking Practice

Tell me about a time you received a frosty reception when meeting new people. How did you handle it?

In what situations do you tend to pipe down and listen more than talk?

What's something you absolutely have to do before the end of the week?

What's something you may well be doing in five years' time?

What's something you would strongly discourage someone from doing in your city?

Do you ever feel the need to dial down your social media usage? Why or why not?

How conducive do you think your current environment is to making new friends?

In contrast to your usual routine, what's something spontaneous you've done recently? And, did you enjoy it?

Can you tell me about a time you tried to explain something complex to someone? How did you make it simpler?

What's a topic you know a lot about? How would you 'level up' your language when discussing it with someone equally knowledgeable?

Langua Speaking Practice

Do you think there's a stigma attached to taking a career break?
Why or why not?

What kind of work do you find fulfilling, and why?

I'd love to hear how you feel about the 'feedback sandwich' method. Do you find it helpful or confusing?

Let's chat about something you feel appreciative of in your life right now.

Let's talk about some creative endeavours you enjoy.

What's something you'd like to simplify in your life right now?

What do you do to try and keep abreast of the latest news in your field or interests?

Let's talk about a company that you think has really cornered the market.

Think about a time you had to express gratitude in a professional setting. What did you say, and why?

What are some ways to check the suitability of a company's culture for you during the interview process?

Langua Speaking Practice

What's something that, once you finished it, felt like 'a weight off your shoulders'?

What's an opportunity you'd 'bite someone's arm off' for if it came your way?

Think of a project where you and a team had to work together. What was your role?

What kind of music strikes a chord with you emotionally?

What kind of training or development opportunities are you interested in?

What kind of training or development opportunities are you interested in?

What skills are currently highly sought after in your field?

How do you think the idea of work and enterprises will change in your lifetime?

Have you ever felt underpaid in a job? What made you feel that way?

Do you think it's important to be on the same wavelength as your colleagues?
